*An opportunity for employers to meet
and find entry-level employees.*

More and more Muslim immigrants/refugees have recently had the opportunity to come to the U.S. and look for the opportunity that this country can offer.

If you are an employer and need workers or potential employees, this is the perfect opportunity to come and meet those employees.

Help out your community!

If you are working for or know someone who may be hiring, please tell them about this event! Many Arabic-speaking and English-speaking job seekers will attend.

To find out more or to tell us you're coming, please contact:
